**APPLICATION REQUEST**

This is a request for an Extension of Time of an approved Rezoning (ZON-4093) from U (Undeveloped) Zone [D-R (Desert Rural Density Residential) General Plan Designation] to R-PD3 (Residential Planned Development - 3 Units per Acre) on 20.35 acres adjacent to the northeast corner of Jones Boulevard and Horse Drive.

**EXECUTIVE SUMMARY**

This is the first Extension of Time application for the subject site. The applicant is proposing a two year Extension of Time for the subject Rezoning and associated cases. The applicant indicates that the Extension of Time is needed since there will not be enough time to record the final map prior to the expiration of the subject Rezoning (ZON-4093). Therefore, staff is recommending approval of the Extension of Time.

Finally, a Site Development Plan Review (SDR-4095) for a 62 lot single family residential development and for a Waiver of perimeter landscaping requirements on 20.35 acres adjacent to the northeast corner of Jones Boulevard and Horse Drive. First, Extension of Time (EOT-14065) of an approved Variance (VAR-4094) that allowed zero square feet of open space where 11,000 square feet were required for a 62 lot single family residential development. Second, an Extension of Time (EOT-1463) of an approved Site Development Plan Review (SDR-4095) that allowed a 62 lot single family residential development on 20.35 acres adjacent to the northeast corner of Jones Boulevard and Horse Drive. **ANALYSIS**

***A) General Analysis and Discussion***

This is the first Extension of Time for the subject Rezoning (ZON-4093). The Rezoning from U (Undeveloped) Zone [D-R (Desert Rural Density Residential) General Plan Designation] to R-PD3 (Residential Planned Development – 3 Units per Acre) was approved by the City Council on 08/18/04. There was an associated General Plan Amendment (GPA-4091), Variance (VAR-4094) and Site Development Plan Review (4095). The applicant indicates that there will not be enough time to record the Final Map prior to the expiration of the Rezoning. Civil plans and a final map have not been submitted. Therefore, the Extension of Time can be supported to allow time for the recordation of the Final Map.

***B) Previous Conditions of Approval from Rezoning (ZON-4093)***

2. The request shall be amended to R-PD3 (Residential Planned Development – 3 Units per Acre)
